

Nevada State Board of Massage Therapy
Approved Programs as of January 18, 2023

Pursuant to NRS 640C.400 the Board has approved the programs of massage therapy, reflexology and structural integration at the schools listed below. If the school that you attended is not included in this list, you may submit an application for the Board to approve that you attended. The information that must be submitted with such an application may be found at NAC 640C.060. After receipt of the application and required documents, the Board will review the application and documents.
